The **Three Peaks Trial** is an organised walk arranged each year in March by the *Cardiff Outdoor Group*. Designed to test the walker's map reading skills and endurance, the event was first held in March 1963. Over the years the event has been modified so in 2016 there is a choice of four routes:

**Platinum Route:** This is a linear walk of about 17 miles and 5000' of ascent from Llanthony Abbey to Abergavenny over Bal Mawr, Pen Cerrig Calch and Sugar Loaf. Please note that this walk reverts to the pre-2011 route beginning in Llanthony Abbey and not Stanton village. Entry to the Platinum Route is limited to 200. Although shorter than the Gold Route, the Platinum Route is more demanding both physically and in map reading skills as the area is more remote.

**Gold Route:** This is the original challenge, a circular walk of about 20 miles and 5000' of ascent, which crosses over three prominent peaks around Abergavenny in Monmouthshire; Bloreng, Sugar Loaf and Skirrid Fawr. This route is never far from civilisation yet there is no obvious route so that concentration on map reading is essential to keep to the best route.

**Silver Route:** This is a circular walk of about 15 miles and 4000' of ascent. The route follows the Gold Route from Abergavenny over Bloreng and Sugar Loaf then descends back to Abergavenny.

**Bronze route:** This is a circular walk of about 10 miles and 2000' of ascent. The route goes from Abergavenny to the summit of Sugarloaf, descending by a different path.

This year proceeds from the event will be donated to Longtown Mountain Rescue Team and several other charities.

**Start Point**

The event will start from the Scout Hall (Gold) or next door in the Guide Hall (Platinum, Silver & Bronze) at Fairfield Car Park, Abergavenny (GR S0299146) where there is ample car parking (£3.50 for the day). The walk will also be controlled from here and finish here. A street map showing the location of the Fairfield Car Park is on the Three Peaks Trial website.

**Equipment check list:**

The following is required; *Map\* (1:25000 or 1:50000), Compass\*, Torch, Whistle, Emergency Rations, A simple First Aid Kit (to include plasters & a blister kit), small change for the telephone (or carry a mobile phone), Waterproofs* - including overtrousers, *Sensible footwear* - boots with ankle support and good tread, experienced runners should have appropriate footwear. It is advised not to wear denim jeans.

***IF YOU DO NOT HAVE THESE ITEMS YOU WILL BE REFUSED ENTRY***

\*For entrants walking as groups for the entire route, one map and compass for each three entrants is acceptable.

**Please Note that entry numbers are limited: Platinum 200; Gold 450 ; Silver 150 ; Bronze 100. In recent years all places have been filled before the day so unfortunately we are unable to take any entries on the day.**

**Accommodation:**

An Accommodation List for the Abergavenny Area is on the Three Peaks Trial website, [www.threepeakstrial.co.uk](http://www.threepeakstrial.co.uk).
